TIPS for Child Care Institute

CDA JumpStart SUPPORT PROGRAM

Start Strong. Finish Confident.

Early Education and Career Institute provides the recognized **TIPS for Child Care Institute CDA JumpStart Support Program** targeted to CDA candidates seeking Family CDA Credential and providers from around the world seeking to build birth to five year old Child Development Competency and Foundation.

The curriculum for this program supports the CDA training and competency requirements needed to work with young children from **birth through five** in a home based environment and follow the Council's **Eight Subject Areas** and the **thirteen functional areas**.
