

FOR FAMILY CHILD CARE BIRTH TO FIVE • HOME SETTING

Early Education and Career Institute provides the recognized **TIPS for Child Care Institute CDA JumpStart Support Program** targeted to CDA candidates seeking Home CDA Credential and providers from around the world seeking to build birth to five year old Child Development Competency and Foundation.

The curriculum for this program supports the CDA training and competency requirements needed to work with young children from **birth through five** in a home based environment and follow the Council's **Eight Subject Areas** and the **thirteen functional areas**.

COURSE HIGHLIGHTS:

- Intentional Safety Strategies for Home Based Providers
- CSEFEL Social Emotional Competency
- Developmental Milestones
Balance Teaching/Planning Practices
- Family Engagement a Collaborative Effort plus family support worker criteria
10 domains meeting FSW Credential Exam will be required through

*Build Strong Families.
Build Bright Futures.*

TIPS for Child Care Institute

CDA JumpStart SUPPORT PROGRAM

A proven pathway to help family childcare providers build knowledge, gain confidence, and earn the CDA Credential while strengthening the families and children you serve.

BUILT ON THE 10 DOMAINS OF FAMILY SUPPORT PRACTICE

Our curriculum aligns with the National Core Competency Framework for Family Support Professionals.

- | | |
|---|---|
| 01 Infant & Early Childhood Development | 06 Community Resources & Support |
| 02 Child Health, Safety, & Nutrition | 07 Relationship-Based Family Partnerships |
| 03 Parent-Child Interactions | 08 Cultural & Linguistic Responsiveness |
| 04 Dynamics of Family Relationships | 09 Effective Home Visits |
| 05 Family Health, Safety, & Nutrition | 10 Professional Practice |

Framework developed by the Institute for the Advancement of Family Support Professionals. Learn more at www.theinstitutefsp.org
