TIPS for Child Care Institute

CDA JumpStart SUPPORT PROGRAM

Build Your Future. Change Little Lives.

Early Education and Career Institute provides the recognized **TIPS for Child Care Institute CDA JumpStart Support Program** targeted to CDA candidates seeking Infant/Toddler CDA Credential and providers from around the world seeking to build Early Care Infant Toddler Child Development Competency and Foundation.

The curriculum for this program supports the CDA training and competency requirements needed to work with young children from **birth through three** in a center based environment and follow the Council's **Eight Subject Areas** and the **thirteen functional areas**.

COURSE HIGHLIGHTS:

-  Intentional Safety Strategies for Center Based Providers
-  Observing and Recording Children's Behavior
-  Responsive Care Giving 0-3
-  NAEYC Code of Ethics
-  Promoting Engagement Working With Families
-  Special Education Overview (IFSP)
